

CRS Machine Rebuilders

All of our work is backed with a six (6) month guarantee on labor and parts.
(under normal and correct usage)

Our 11,000 square foot facility is equipped with a full service machine shop to handle all of your machining requests. We can manufacture replacement or spare parts, often in a fraction of the time it would take if you ordered from original equipment manufacture.

With **CRS Machine Rebuilders** you will have access to skilled technicians and over \$1,000,000 worth of tools and equipment. We are available 8 hours a day, 6 days a week to satisfy your specialty and emergency requirements and we are fully insured.

Our goal is to provide you with value and quality through safe, productive work ethics. Whether your needs are routine or emergency, we can respond quickly to get you back on-line !
