Customer Comments on Our Control Room Consoles & Technical Furniture

Looking for flexible easy to install control room furniture?

“You can rely on ImageVision to meet project deadlines!”
- Sr. Controls Engineer, Langtree LTD; AgileVIEW® 2-Tier control room consoles

“I like the functionality of your consoles and the ability to accommodate additional process controls equipment. Nothing about the console or your sales and support services disappointed me!”
- Mill Supervisor, Grain Processing Facility; AgileVIEW® 3-Tier control console

“Plant mgr is delighted with our new 3-tiered operator control console. He enjoys showing off the new control room to visitors.”
- Eng. Mgr., PCS Nitrogen; has AgileVIEW® & AgileVIEW™ console furniture

“The lab furniture arrived and it looks great. We are most pleased!”
- Proj. Eng., Aerospace Test Lab; AgileVIEW® technical furniture installation

“I have already given your name to several visitors to our plant. They are really impressed with our control room furniture.”
- Eng. Planner, Conoco-Phillips; AgileVIEW® DCS computer console

Have computer furniture vendors left you disappointed?

“After all the dust settled, we are very happy with our console furniture. We will be ordering at least two more consoles over the next six months.”
- Proj. Eng., Northrop Grumman Aerospace; AgileVIEW® technical furniture

“What I liked most is your consoles rugged industrial design. Nothing disappointed me about either your product or service.”
- Sr. Eng., Louisville Electric; Cane Run; AgileVIEW® 2-Tier console

Do you need a technical furniture vendor that delivers organized and efficient solutions?

“ImageVision’s modular operator consoles organized our work space and has increased the efficiency of our operations personnel.”
- Pipeline Ops, INEOS USA; AgileVIEW® 2-Tier computer console furniture

“Very sturdy; well built; nice wire ways make for a neat installation”
The Hershey Company; AgileVIEW® 1-Tier industrial computer console

Need to update your command center consoles?

“Look to ImageVision and AgileVIEW®!”
